

**SUNDAY, MAY 3**

**1 to 4 PM**

**STONY POINT  
CONFERENCE CENTER**

# **NUCLEAR WASTE STORAGE & DECOMMISSIONING FORUM**

Elected officials, first responders, businesses and interest citizens – Learn about Indian Point’s severely overcrowded fuel pools, the need for a plan to decommission them — and the lack of sufficient decommissioning funds to ensure it is done safely. We will also provide an update on Indian Point legal matters and the status of other NY State nuclear facilities.

- **Nuclear Waste Storage – Actual Risks and Potential Dangers:** Kevin Kamps of Beyond Nuclear and Gary Shaw of Indian Point Safe Energy Coalition (IPSEC)
- **Decommissioning Priorities:** Tim Judson of Nuclear Information; Resource Service (NIRS); Deb Katz of Citizens Awareness Network (CAN) and Jessica Azulay of Alliance for a Green Economy (AGREE)
- **Indian Point Relicensing Update:** Deborah Brancato of Riverkeeper
- **Panel Discussion and Q & A:** Moderator – Manna Jo Greene of Hudson River Sloop Clearwater
