FY2024 Budget Vote

Sam said the budget is a reflection of our vision and our values. Neil spoke to process, detailing how the budget was compiled by the Executive Director and staff and subsequently reviewed and approved by the Finance Committee. David said the significant revenue gap in the initial budget was addressed with a set of action items, some staff driven, others requiring board support, and reviewed each line item, taking and answering questions. Neil said approval of this budget means

this will become the plan for this fiscal year and it's up to both staff and board collectively to execute the plan. David answered more questions. Sam asked everyone to think about what implementation looks like and how they fit in.

Neil moved approval of the FY2024 budget as presented. Tom seconded. The FY2024 budget was PASSED unanimously.

Steve gave a closing song, "Step by Step," Pete Seeger's setting of words from the preamble to a union constitution.

The meeting was adjourned at 8:04 pm.

Respectfully Submitted,
Rosemary Thomas, Secretary
